## KinderSign – Unassign Provider from Android Tablet

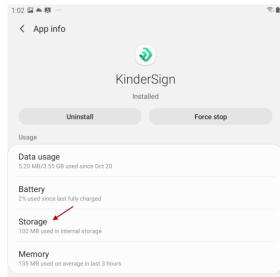

If a Provider license number changes or if a Provider wants to transfer a device to another of its locations, it is necessary to unassign KindeSign from that tablet. Once you unassign your Provider from the device, you will need to complete the KinderSign Device Registration process.

A

On the home screen of your tablet, locate the KinderSign icon. Hold down the icon until a menu appears. Tap *App info*.

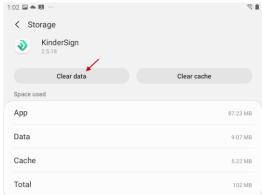

B Tap Storage

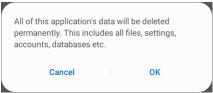

For more information, visit <a href="https://azcces.info">https://azcces.info</a>, email us at supportAZ@kindersystems.com or call us at 1-833-859-3433.

The system generates a message asking you to confirm that you want to delete the data of this application permanently. Tap

Delete if you want to proceed.

You now need to register this device to your new Program. Tap on the KinderSign icon to open.

For additional information, refer to the Device Registration QRC.
